## BENTLEY NEWS

The Young Ladies' Class acted hostesses to the Young Men's class on a few evenings ago at a banquet held at the Alexandra Hotel. About thirty sat down to an excellent repast. A short toast list was a feature of the program, and was most enjoyable. We hope this will become an annual event.  
A general meeting is called for next Saturday evening in the Club Room, to discuss and arrange for the voluntary fund-raising party for the next year.  
To Bentley's proceeds to go to the Patriotic fund. As this worthy object will help swell the fund, as well as raise money, it is a thing that is now so necessary.  
The forty acres of land adjacent to Bentley District are urged to be present.  
F. W. Thorp has been appointed issuer of marriage licenses.  
We hope some of the young couples will take advantage and get tied up.  
CARD OF THANKS  
We wish to express our thanks and gratitude to our many friends for their kindness and help in our little mission. Mr. and Mrs. Roy Whitley, Wittenburg.

## BENTLEY NEWS

Owing to the weather the sup-  
per which was to have been giv-  
en by the Ladies of the Church  
last Monday was postponed and  
will take place on Monday April  
16th.

Born—On Tuesday April 3rd  
to Mr. and Mrs. Whistell, of  
Bentley, a son.

Miss Jean Miller is spending  
the holidays with her parents.  
The Bentley Mock Parliament  
was postponed on Friday for the  
summer. The last important  
measure to be passed, being the  
"Utilities Bill" brought in by the  
Socialist Leader. The govern-  
ment so amended the bill that it  
was hardly recognizable by the  
opponents. The premier hinted to-  
wards the close of the session  
that there might be a general  
election next September. After  
the cabinet ministers had received  
their hard earned salaries,  
they left for their various homes  
one and all declaring that in  
spite of the strenuous session, it  
had been most profitable as well  
as enjoyable.

The warm weather of the past  
few days has melted the snow,  
and if it continues the farmers  
will be able to commence their  
spring work very soon.
